Celebrate the Year of the Ox
with Isthmus Acupuncture's New Year's Open House!

Isthmus Acupuncture has a new look for the new year! Come see our new feng shui design and join in fun activities including:

- A raffle with great prizes
- A chance to register friend or family for a free massage or acupuncture treatment on Jan. 31. (Details provided at the open house.)
- Gluten- and dairy-free foods
- Chandon Chic tea samples
- A lion dance for good luck and prosperity

Witnessing a lion dance in person is not to be missed! Drums and cymbals strike a lively beat as dancers from the Madison Kung Fu school transform into living, breathing lions and dance, delighting children and adults alike. The lion dance brings good luck and prosperity to all who witness it.

Please join us at IAC on Saturday, January 24, 2009 for an open house from 11:00 - 2:00. (Lion dance starts at noon.)
